PROFFESIONAL SUMMARY

UI/UX Designer with a Computer Science background, passionate about transforming user needs into intuitive digital experiences. Experienced in prototyping, usability principles, and responsive interface design through academic projects and training

EDUCATION

The World Islamic Scientific and Education university   **Jordan**
BCs in Computer Science   *Oct. 2022 – Jan. 2026*
- Capstone Project: Led a team of 3 to design and develop *Evalora*, a graduation project web platform that enables IT students to build professional profiles, manage projects, and receive AI-generated performance evaluations

EXPERIENCE & TRAINING

Orange Jordan   **Jordan**
UI/UX Design Intern   *Jul. 2025 – Aug. 2025*
- Designed 10+ wireframes and interactive prototypes in Figma, contributing to more intuitive and user-centered interface design
- Worked closely with the design team to implement the design system across project screens, improving UI consistency and workflow efficiency
- Supported UX research and usability testing activities, helping identify usability issues and refine user interaction flows

FreeCodeCamp.org   **Online**
UI/UX Design Intern   *Aug. 2023 – Dec. 2023*
- Completed practical front-end development projects using HTML, CSS, and JavaScript, improving problem solving skills and understanding of responsive web design

Front-end Developer (Freelance / Academic project)
Event Planner Website   *Mar. 2024 – May. 2024*
- Designed and developed a responsive Event Planner website using HTML, CSS, and JavaScript, enhancing usability and navigation for event management
- Built visually consistent layouts and intuitive interfaces, improving user experience across multiple pages
- Translated UI designs into clean, structured, and maintainable code, ensuring seamless front-end functionality

TECHNICAL SKILLS

UI/UX Design: Figma, Wireframing and Prototyping, User Flows & Information Architecture, Usability Testing (basic)
Front-End Development: HTML5, CSS3, JavaScript, Responsive Web Design, UI Implementation from Figma
Other Skills: SQL (Basic), PowerPoint (Professional Presentations)
